

Over the past ten years, the property team at Plowman Craven has been associated with some of the largest property transactions in the UK and across the rest of Europe.

Plowman Craven's considerable experience, a reputation for accuracy, and a wide ranging expertise in the area measurement arena means we have been essential members of many due diligence teams.

Area Measurement
GIA, NIA & Zone A

Project Acorn

A 2.1m square ft portfolio of mixed-use properties throughout the UK, Ireland and Channel Islands

Gross and Net Internal areas were required on 62 properties of varying sizes—from single industrial units to a shopping centre. The exercise was all completed over a strict 8 week delivery timetable.

Project Summer

A large portfolio of mixed-use 453 units situated at 27 locations throughout the UK. Measured on a GIA or NIA basis plus Zone A requirements on retail elements. A seven week delivery time was crucial.

Project Ed

Aviva's Investor's Portfolio, comprised of 47 developments of offices, warehouses and retail space with 250 tenancies.
